Total shares issued (million)		
Ordinary shares listed on JSE	1 574	1 572
Treasury shares held on behalf of contract holders	(13)	(14)
Basic number of shares in issue	1 561	1 558
Treasury shares held on behalf of contract holders	13	14
Convertible redeemable preference shares	30	32
Diluted number of shares in issue¹	1 604	1 604
Market capitalisation at end (Rbn) ²	36	48

¹ The diluted number of shares in issue takes into account all issued shares, assuming conversion of the convertible redeemable preference shares, and includes the treasury shares held on behalf of contract holders.

² The market capitalisation is calculated on the fully diluted number of shares in issue.
